Inc. Magazine Unveils 34th Annual List of America's Fastest-Growing Private Companies—the Inc. 5000

Firstronic Ranks No. 1685 on the 2015 Inc. 5000 with Three-Year Sales Growth of 241%

NEW YORK – On Aug. 12th Inc. magazine ranked Firstronic No. 1685 on its 34th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

"We are very pleased to get this further recognition of the success of our business formula. I am very thankful to our team who has worked tirelessly to maintain our growth momentum. I am also appreciative of the business our customers have given us along with the responsiveness we've received from our supply chain. This is a significant honor that would not have been possible without that combined support," said John Sammut, Firstronic's CEO and President.

The 2015 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. (available on newsstands August 18 to September 22) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Business owners don't achieve that kind of success by accident."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 21 through 23, 2015 in Orlando. Speakers include some of the greatest entrepreneurs of this and past generations, such as Marcus Lemonis, host of the CNBC show "The Profit," Robert Herjavec, one of the main "sharks" on ABC-TV's "Shark Tank," KIND Founder and CEO Daniel Lubetzky, and Co-Founder of Goodshop.com JJ Ramberg.

Methodology

The 2015 Inc. 5000 is ranked according to percentage revenue growth when comparing 2011 to 2014. To qualify, companies must have been founded and generating revenue by March 31, 2011. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--

as of December 31, 2014. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2011 is \$100,000; the minimum for 2014 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
