## **Firstronic Named One of Michigan's 50 Companies to Watch**

Grand Rapids, MI—Firstronic LLC has been named as a 2015 winner of the Michigan 50 Companies to Watch award and will be honored at the eleventh annual Michigan Celebrates Small Business event on May 7, 2015, at the Lansing Center.

"I'm honored that Firstronic is receiving this statewide award. Our team has worked tirelessly to achieve the very aggressive growth goals which have led Firstronic to more than triple in size in the last three years. As a company specializing in automotive products we are expected to deliver flawless quality and superior flexibility while meeting challenging deadlines in new project launches. The fact that our superior performance metrics are getting us noticed outside the world of electronics manufacturing speaks volumes for quality and dedication of our team," said John Sammut, Firstronic's CEO and President.

The Michigan 50 Companies to Watch Award, sponsored by Michigan Celebrates Small Business, honors growth-oriented businesses based on market expansion, job creation, technological innovation, and community impact.

### **About Firstronic LLC**

Firstronic LLC ([www.firstronic.com](http://www.firstronic.com)) provides advanced electronics manufacturing services and optimized supply chain solutions for companies in a wide range of industries including automotive, industrial and medical device. Headquartered in Grand Rapids, MI, Firstronic has a 35,000 square foot facility, state-of-the-art equipment and a seasoned management team with an average tenure of 20 years and a 70,000 square foot facility in Juarez, Mexico. It also supports companies needing access to global manufacturing locations via operations in China, India and the Czech Republic.
