Firstronic Names Chief Financial Officer

Grand Rapids, MI—Firstronic LLC has promoted Orland Baas to Chief Financial Officer. Previously, he served as controller. He was earlier associated with Oliver Products as corporate controller and Commercial Tool Group as CFO. He has also served in executive finance positions at Magna Donnelly Exterior Mirrors North America, Swoboda, Inc. and Autodie International, Inc.

“Orland brings over 20 years of experience in finance and accounting in automotive manufacturing settings. His diverse background includes setting up strong financial control systems, working with Operations teams to improve production related financial metrics and supporting MRP/ERP system implementation. Overall, his well-rounded skills set makes him a huge asset in Firstronic’s Lean management structure. In particular, his systems expertise is critical as we continue to expand our Plex Online financial module implementation,” said John Sammut, Firstronic’s President and CEO.

Orland received his Master of Business Administration and his Bachelor of Business Administration degrees from Western Michigan University.
