FIRSTRONIC WINS TOP CIRCUITS ASSEMBLY SERVICE EXCELLENCE AWARD

GRAND RAPIDS, MI -- Firstronic, (www.firstronic.com), won the top award at the 2021 Service Excellence Awards (SEA) for Electronics Manufacturing Services (EMS) providers with revenues of $101 million to $500 million, achieving the highest rating in all five award categories (Dependability/Timely Delivery, Value, Technology, Responsiveness and Quality). The awards program was sponsored by Circuits Assembly magazine and recognized EMS companies that received the highest customer service ratings as judged by their own customers. The ceremony was held virtually on Apr. 6.

"This is the sixth year we've entered this competition and the second time we've won the top award for all categories. I am extremely pleased with the work our team has done to keep our customers at this level of satisfaction during the most challenging business environment our industry has seen. I'd like to thank our customers both for their ratings and the spirit of cooperation they have shown during this past year. Our team, our customers and our suppliers have set new standards in overcoming constraints. The working relationships we've built will pay dividends in years to come," said John Sammut, Firstronic's President and CEO.
